Pennsylvania Public Utility Commission
v.
Wellsboro Electric Company

Dear Ms. Polacek:

The Commission in a Public Meeting on June 21, 2007, instituted an inquiry and investigation at the above docket to determine the fairness, reasonableness and justness of rates named in Supp. No. 31 Tariff Electric-Pa. P.U.C. No. 8 filed to become effective July 29, 2007. Under authority of Title 66 Pa. C.S. §1308(d), application of the proposed rates is suspended, by statute, for a period of up to seven months or to February 29, 2008, unless otherwise directed by Order of the Commission.

Under the Public Utility Code, a supplement must be filed with the Commission and posted at the offices of the company to announce that the aforementioned Supplement is suspended until the date stated in the Commission's Order.

Attached is a sample copy of a seven month suspension supplement which must be filed in triplicate with the Commission as soon as possible.

Copies of the formal order adopted by the Commission will be forwarded to you within the near future.

Very truly yours

James J. McNulty
